

Rapid City Club for Boys

**Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely dangerous** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

**The Rapid City Club for Boys ("the Club")** has put in place preventative measures to reduce the spread of COVID-19; however, the Club **cannot guarantee** that you or your child(ren) will not become infected with COVID-19. Further, **attending the Club could increase** your risk and your child(ren)'s risk of contracting COVID-19.

.....

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, volunteers, and program participants and their families.

In exchange for my child(ren) being permitted to attend the Club and participate in Club programming I voluntarily assume all of the above risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at the Club or participation in Club programming. On my behalf, and on behalf of my child(ren), I hereby release, covenant not to sue, discharge, and hold harmless the Club, its employees, agents, and representatives, of and from any claims, including all liabilities, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the Club, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Club program.

## **Infectious Disease**

I further acknowledge, understand, appreciate, and agree that my participation may result in possible exposure to and illness from infectious diseases, including, but not limited to, MRSA, Influenza, and COVID-19. While particular rules and personal discipline may reduce this risk, the risk of serious illness and death does exist. I knowingly and freely assume all such risks, both known and unknown, even if arising from the negligence of the releasees or others and assume **full** responsibility for my participation and exposure.

**What are the COVID-19 prescreening procedures before I bring my child to the Club?**

**Prescreening**

Each parent is encouraged to screen their child with the following questions each day before reporting to camp:

- Do you have a fever of 100.4 or higher or sense the onset of a fever?
- Do you have a persistent cough?
- Do you have shortness of breath?
- Do you have a sore throat?
- Do you have new muscle aches or body chills?

**The Club for Boys needs to know:**

- Have you, anyone in your immediate family or anyone with whom you've been in personal contact with in the last 14 days been exposed to anyone who have either been tested for COVID-19 and are awaiting results or have been diagnosed with COVID-19?

If the answer is yes to any of the above questions, then your child may not attend the Club.
