Picking Up Your Member

For the safety of our members, we encourage parents to park in a parking spot and come inside the Club to pick up their children. The Club discourages children from being outside unless they are supervised by an adult.

Please call if you know that you will be late picking up your child at closing time. Children left 15 to 29 minutes past closing time will be suspended for 1 day from Club activities. If we are unable to reach a parent or guardian, law enforcement is contacted for those children left 30 minutes or more past closing time.

Membership Cards

Membership cards are very important and it's a Club rule your child brings one every day. He will be provided with his first membership card. If your child loses his card he can purchase a new one.

School Attendance

All members are expected to attend school every day. Your child will NOT be permitted to attend the Club if he did NOT go to school that day unless approved by the Program Director or Director of Individual Services.

Field Trips

Field trips are available for all members on a first come first serve basis. Parents must fill out the permission slip and members must display good behavior. Some trips have limited spots. Our staff try to take different members on each trip so everyone has the opportunity to go. Trips may be cancelled or changed due to weather and staffing.

Sports Leagues

Competitive flag football and basketball sports leagues are included in the cost of membership. If your child would like to participate in either or both leagues, he will be placed on a team. He will have practices and games he must attend.

Club Happenings

The Club strives to keep parents and boys informed. Hours, closings, and calendars are posted at the Club and online. We encourage parents to visit our website and Facebook page regularly to get the most up-to-date information.

Anyone can sign up for Club Happenings texts.

Expected Behavior

The Club for Boys expects all adults at our facility to set a positive example for our members. If any adult is acting in a way deemed inappropriate by staff, he or she will be asked to leave the premises on his or her own.

Inappropriate Clothing

Staff may ask members to change clothing if they feel that it is offensive or inappropriate.

Harassment

The Club for Boys has a harassment policy, which is continually monitored. This policy addresses harassment of employees by the public. Our staff is available to assist in helping you meet your needs. However, if you use obscene language, threatening or offensive behavior, or are intoxicated, we will ask that you leave the building on your own.

Intoxicated Individuals

If a staff member at The Club for Boys thinks that any parent or other adult at the Club has been drinking, Club staff will help that individual find a ride home. If a person who staff believes to have been drinking insists on driving, it is the Club's policy to contact the police department with the individual's make, model, and license plate number.

Real Cost of Membership

We expect all boys to follow the Club's guidelines of being a safe and fun place to be. If your child chooses to not follow the Club rules there will be consequences and those will be determined by the Director of Individual Services.
