

Assumption of the Risk and Waiver of Liability Relating to all Infectious Diseases

The Club for Boys (the Club) does take appropriate measures to minimize exposure to infectious diseases. However, COVID 19, flu, cold, MRSA as examples and other numerous illnesses still present a risk. Therefore, the Club cannot guarantee that you or your member will not become infected with different infectious diseases through simple attendance. It is possible, further attending the Club could increase your risk and your member’s risk of contracting infectious diseases.

.....

By signing this agreement, I acknowledge the contagious nature of infectious diseases and voluntarily assume the risk that my member and I may be exposed to or infected by contagious disease by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by contagious disease at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, volunteers, and program participants and their families.

In exchange for my member being permitted to attend the Club and participate in Club programming, I voluntarily assume all of the above risks and accept sole responsibility for any injury to my member or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my member may experience or incur in connection with my member's attendance at the Club or participation in Club programming. On my behalf, and on behalf of my member, I hereby release, covenant not to sue, discharge, and hold harmless the Club, its employees, agents, and representatives, of and from any claims, including all liabilities, actions, damages, costs, or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the Club, its employees, agents, and representatives, whether a disease infection occurs before, during, or after participation in any Club program.

Infectious Disease

I further acknowledge, understand, appreciate, and agree that my participation may result in possible exposure to and illness from infectious diseases, including, but not limited to, MRSA, Influenza, and COVID-19. While particular rules and personal discipline may reduce this risk, the risk of serious illness and death does exist. I knowingly and freely assume all such risks, both known and unknown, even if arising from the negligence of the releasees or others and assume **full** responsibility for my participation and exposure.

2024 SUMMER ACTIVITIES PERMISSION SLIP

MEMBER NAME: _____ MEMBER CARD #: _____

One of our goals is to expose our members to opportunities that they may not otherwise get the chance to do. The summer months provide us with lots of time to do that by taking members on field trips. To streamline our process of collecting permission slips and filling all the spots for trips, we have one permission slip to cover the summer. If there is any trip that does not fall under one of the three categories listed below, a separate permission slip will be sent home for parents/guardians to sign if they wish for their member to participate.

Field trips are limited to a certain number of seats, depending on the activity. It is important to know that each trip will be first come, first serve. Staff will make every effort to take different boys each time so that everyone may have a chance to participate in a field trip.

We ask that if you do not wish for your member to leave the Club on any certain day due to an appointment, early pick up or any other reason that you let our office know by 8:00am on that day. You may call our office at any time to see if your member is on a trip.

Please look over each of the options below and initial the activities that you give permission for your member to participate in.

WACKY WATER ACTIVITIES (on-site) – Each day, provided the weather is at least 80°, staff may run water activities to keep boys cool. During these activities, your member will get wet and dirty. Towels and sunscreen will be provided, but not required to be used. Members must wear shorts to participate.

_____ Initial

FIELD TRIPS (off-site) – Field trips will periodically be scheduled between 8:30am–12:30pm and 12:30 pm–3:30pm. Trips may include, but are not limited to, places like local parks and tourist attractions, the Elks theatre, and swimming pools.

_____ Initial

DAY TRIPS (off-site) – The Outdoor program will be taking day trips between 8:00am– 4:00pm. These trips may include, but are not limited to, places like the Badlands, Custer State Park, Hill City, and Spearfish. Activities may include, but are not limited to, hiking, canoeing, lake swimming, rock climbing, and local attractions.

_____ Initial

All trips will be staffed by at least two adults with one being trained in CPR and first aid.

In case of an accident, we need your full consent to obtain medical assistance for your member should it be required. Although the boys will have adequate adult supervision continuously, an accident may happen. Realizing every safety precaution will be taken, I agree not to hold The Club for Boys responsible for any accident or injury. By signing the Summer Permission Slip, I hereby give my consent to obtain professional medical help for my member _____ as deemed necessary by The Club for Boys leaders.
